# CEREMONIES

## KEEPING IT CIVIL

Weddings are all about bringing people together for the whole day, from ceremony to reception. We are not a licensed venue, however, we can provide you with the details of the nearest register office and some information about the booking process.

Not all registrars will allow you to book more than 12 months in advance, if you are booking further in advance ensure you book your registrar as soon as their booking window opens.

When you meet with the registrar, you'll need to take proof of your name, age, nationality and address, plus additional documentation if you have been divorced or widowed.

In most cases, for a civil ceremony you also need to give at least 28 days' notice of your marriage. You do this by attending the district register office that is local to where you live, in person, even if it is different to the district in which you will get married. To give notice, you must have lived in the district for at least the past seven days.
